Oakville Hydro Corporation

Oakville Hydro appoints Robert Lister as new CEO

Oakville, March 29, 2010 – For immediate release

Oakville Hydro has announced the appointment of Robert W. Lister as the new President and Chief Executive Officer of Oakville Hydro Corporation effective Monday, April 19, 2010.

“On behalf of the Board of Directors, we are very pleased Mr. Lister has accepted our offer,” said OHC Board Chair Gary Burkett. “Mr. Lister’s undoubted experience in the energy industry, his engineering background and his ability to operate at the highest level in terms of leadership, stakeholder and customer management within a large organization make him an ideal choice for the job. We look forward to experiencing continued success thanks to the innovation and foresight he will bring to this position.”

Mr. Lister has over 25 years of experience in energy services including senior leadership roles with Toronto Hydro, Earth Energy Utility Corporation, OZZ Energy Solutions and Horizon Utilities Corporation. He is a professional engineer with a degree in Engineering and Management. Mr. Lister also has an MBA from McMaster University.

“We look forward to Oakville Hydro’s future success under Mr. Lister’s leadership and vision,” said Mayor Rob Burton. “Providing a safe, reliable supply of electricity and developing renewable green energy solutions are important components to achieving Oakville’s vision of being the most livable town in Canada.”

The Board underwent an extensive executive search and interview process for a new CEO following the resignation of Alex Bystrin in November 2009. Ray Green, chief administrative officer for the Town of Oakville, has filled the role of interim acting president and CEO of Oakville Hydro since November 2009.

Oakville Hydro Corporation is a recognized leader in the Electricity Distribution and Energy Services. It serves the electrical energy of residential, commercial and industrial customers in one of the most desirable communities in Canada through its three integrated divisions: Oakville Hydro Electricity Distribution Inc., and Oakville Hydro Energy Services Inc. The Town of Oakville is the sole shareholder. Visit the [Oakville Hydro](http://www.oakvillehydro.com) website for details.
