Security Deposit:

Oakville Hydro requires the payment of a security deposit from all customers who have not demonstrated a good payment history. A customer may provide the Security Deposit in four equal monthly payments (post dated cheques). The first payment may be remitted at the time the account is established or the customer can choose to be invoiced on the first bill. To be exempt from providing Oakville Hydro with a security deposit we require one of the following:

Note: Any exemption provided must be in the same name listed on this application for service and must show 1 year good payment history; some of which must have occurred in the previous 24 months.

Good payment history from previous account with Oakville Hydro.
